

LONDON ISD PARENT TEACHER ORGANIZATION

MEMBERSHIP FORM

The London PTO joins the forces of parents and teachers to plan projects and help to make the school year a success, adding to the quality of the education of every student in London ISD!

We invite you to be a part of it all by joining the PTO!

We want to hear from you about ideas, concerns, and the development of special projects for the entire school district. We offer three levels of membership including: Staff, Family, and Pirate Pride.

Choosing to increase your contribution level brings additional benefits, including special recognition as a Pirate Pride donor and inclusion in the Sponsor Section of the PTO website.

Membership is open to all parents and guardians of students, to the school's teachers and staff, and any person interested in furthering this school upon payment of dues. London PTO Bylaws, Article III
